The HOPWA Program

Housing Opportunities for Persons with HIV/AIDS (HOPWA)

What Is HOPWA?

Housing Opportunities for Persons with HIV/AIDS, also known as HOPWA, is a federally-funded program that provides assistance with housing and supportive services for low-income people living with HIV/AIDS and their families. The program goals are to maintain stable housing, reduce the risk of homelessness, and increase access to care. Services are provided throughout Los Angeles County.

Accessing HOPWA Services:

The HOPWA Regional Centers are your entry into the HOPWA system of resources and services that will assist you with your housing needs. In order to access HOPWA programs, you must first register with a Housing Specialist. Through a Regional Center your Housing Specialist will assist you in accessing: Section 8 and affordable housing listings; financial rental assistance programs; other housing-related information; legal services; support animal advocacy and information; and many other supportive services that can eliminate barriers for people living with HIV/AIDS to finding and maintaining permanent housing. *(See list of Regional Centers on back.)*

What is HOPWA?

Housing Opportunities for Persons With AIDS (HOPWA) funds financial assistance to prevent homelessness and promote permanent, safe, and affordable independent housing.

HOPWA offers two types of financial assistance— Short-Term Rent, Mortgage, Utilities (STRMU) assistance, and Permanent Housing Placement (PHP) assistance.

STRMU: Provides assistance for up to 21 weeks in any 52-week period, which may or may not be consecutive, with rent, mortgage, and utilities (gas and electric). Applicant must be HIV+, earn less than 80% of the Area Median Income, live in permanent housing in Los Angeles County, and have a valid rental agreement and proof of residence.

PHP: Provides assistance with reasonable costs to move persons into safe, decent, and affordable permanent housing that may include a security deposit and first month's rent. A one-time utility switch-on fee may be paid if required. The maximum amount is based on fair market rents for Los Angeles County defined annually by HUD.

Los Angeles Housing & Community Investment Department is the fiduciary agent for the HOPWA Program in Los Angeles County. All grants are contingent upon the availability of funds. Eligibility alone does not guarantee acceptance into this

program. The HOPWA administrative phone number is: (213) 808-8805.

Alliance for Housing and Healing maintains the role as Central Coordinating Agency (CCA) for the HOPWA Program.
